## The Pullman Gives You an Extra Room Without Increasing Your Rent

EVERY family needs extra sleeping quarters in the home in case of emergency. Unexpected visitors come; a nurse may be necessary in any home at any time; you may wish friends to remain over night or to week-end with you; you may wish to accommodate a friend or good neighbor for a night or two; the man of the family may wish a business friend remain over night, whatever the emergency or occasion may be, a Pullman provides the extra sleeping quarters.

Some families may want to rent out a room because of present high rents. Some families may be moving into smaller apartments with fewer sleeping rooms—these are but SOME of the reasons for the immense popularity of the "Pullman."

Here is an opportunity to secure the genuine Pullman, the Davenport Bed that matches up with other furnishings in your home. You can get the same designs, the same woods (mahogany, walnut or oak), the same comfort that you get in the finest stationary davenports.

Here is a beautiful living room piece of furniture that is "as handsome as the finest davenport, as comfortable as the best bed"—one that gives double, or day-and-night service—two pieces of furniture at the price of one.
